

4 Ways to Energize Your Team and Boost FUNdraising!

1. Promote VIRTUAL Participants

Teammates out of town? On vacation? Not able to walk the 5K? **NO PROBLEM!**

Sign up as an individual walker/runner or as a team on JustGiving (the free online fundraising tool) or let your team leader know you will be fundraising as a virtual participant. Pick a day to do any activity as a Virtual Participant

The Virtual Participant Challenge awards a prize and bragging rights to the person who walks/runs at a location farthest from Claremont. Previous virtual participants have hiked in Arizona; walked on beaches in Mexico, Aruba, North Carolina and Florida; run on a Disney cruise ship; or strolled in Paris.

Other ways “virtual walkers” can participate.

- Step Up with your horses on a trail ride
- Do a good deed in your neighborhood, town or vacation spot in honor of Steppin' Up
- Send a special facebook/email message to your contacts explaining why you support TPN and Steppin' Up and that you are fundraising even though you can't walk or be at the event

2. Challenge Your Teammates to Use JustGiving and Watch Your Team's FUNdraising Soar!

Each teammate can set up her or his own FREE PERSONAL FUNDRAISING PAGE and make it easy for friends and family near and far to donate to their team.

Setting up a free JustGiving page is as easy as a few clicks of the button.

“This is such an easy way to fundraise! My friends and family loved how safe and easy FirstGiving was. I will use it every year!” Past Participant

JustGiving™

3. Take The Power of 10 Team Challenge: $10 \times 10 \times 10 = \$1,000!$

Here's how it works:

Set a goal to be a thousand dollar team and follow these 3 steps:

1. Ask at least 10 people to be on your team.
2. Ask those 10 people to ask 10 people to pledge \$10.
3. You will have reached a team goal of \$1,000!

Sign up to be a Power of 10 Team and receive extra publicity for your team and earn an extra chance in the event-day raffles.

\$1,000 covers the cost of our 24-hour crisis and support line for 3 months!

4. Compassionate Corporate Match

Do your teammates work at a business that might offer a corporate match?

Companies and organizations that encourage their employees to be community-minded by forming a team to support Turning Points Network's **Steppin' Up to End Violence Walk & Fun Run** are building employee loyalty, strengthening their communities and supporting a vital resource.

Join with businesses like Sugar River Bank and Sturm Ruger who have matched their team's fundraising efforts in the past.

For more information or to download the Compassionate Corporate Match form, go to the Steppin' Up link below.
